

TALLAHASSEE LEON COUNTY

BICYCLE EXPO

Tuesday, May 1, 6 pm, Anita Favors Thompson Plaza at Lake Anita

Please join Planning Staff and our community partners for a night of food and cycling! To officially kick off Bike Month, the bike expo will be located at the Anita Favors Thompson Plaza at Lake Anita (under the Duval Street overpass at FAMU Way and S. Adams Street). There will be a food truck, [Sneauxballs](#), and we will walk participants through the ins and outs of traveling around Tallahassee on two wheels. Some topics that will be covered include basic set-up, equipment and safety. [Bird Legs Bicycles](#), [the Great Bicycle Shop](#), [Higher Ground](#) and [Bicycle House](#) will be on hand for bicycle tune ups and to offer maintenance tips and tricks.

Once your bike is ready to go, we will lead a ride through Cascades Park to officially kick off the month! If you're interested in cycling but don't have a bike, there will be Pace Bike Share bikes on hand for rent. Please e-mail Julie.Christesen@talgov.com for additional information, or visit BikeTallahassee.com.
