

TALLAHASSEE

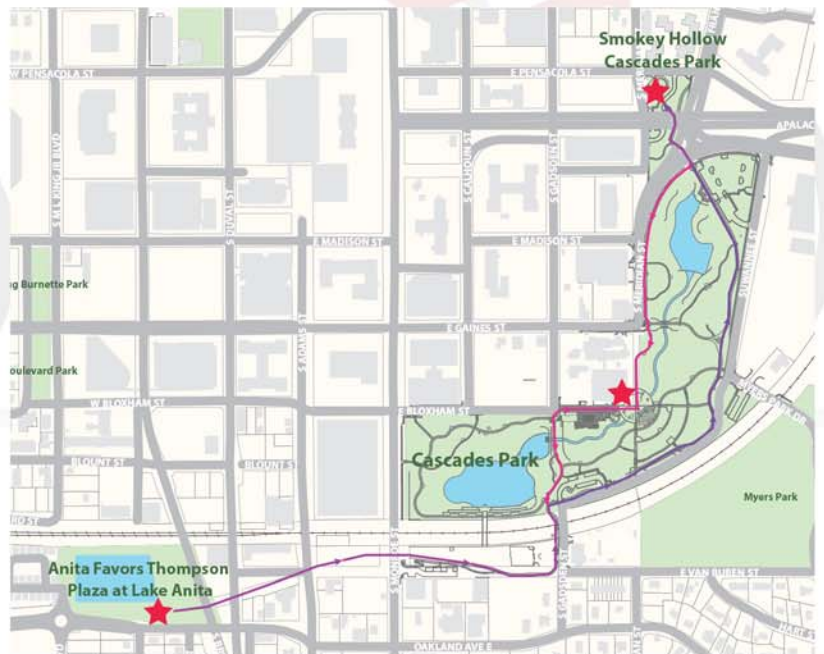

MAY | NATIONAL BIKE MONTH

Please join the Planning Department for a slow roll bike ride showcasing some of the beautiful improvements made downtown by The City of Tallahassee and Leon County.

When
Wednesday, May 17 at 5:30 PM

Route

We'll start at the Anita Favors Thompson Plaza at 5:30, ride through Cascades and up Franklin to the Smokey Hollow Memorial, and head back on the other side of Cascades with a stop at the Prime Meridian marker, then back to Anita Favors Thompson Plaza. We'll be sharing pieces of cycling knowledge along the way!

Whether you are a confident everyday cyclist, a weekend warrior, or someone who has not ridden a bike in years, we encourage you to participate and enjoy exploring one of Tallahassee's premier parks and landmarks!
